

Jerry Smith

November 26, 1927 - June 27, 2020

Jerry Smith, 92, died on June 27, 2020 at the University of Iowa Hospitals and Clinics in Iowa City due to complications of a stroke. Jerry was a motorcycle racer from the age of 18 to 72 years old and continued riding a motorcycle until his last days.

Jerry was born November 26, 1927 in Johnson County, Iowa to Charles and Abbie Smith (Webber). He married Josefina "Josie" Smith, August 22, 1971 in New Orleans. Soon after the couple married, they embarked on motorcycle adventures from Iowa thru Central America and across the Panama Canal, then again in 1972. During these expeditions, Jerry was put in a Nicaraguan jail, yet due to Josie's bravery, they narrowly escaped before an earthquake all but demolished Managua. In Central America, they evaded thieves inside the Irazú Volcano, skillfully rode over metal beams in place of blown bridges, and were held at gunpoint in El Salvador until Josie convinced the gunmen they were of no threat. These were some of the motorcycle travels Jerry completed throughout 23 countries, to earn him one of the Highest Lifetime Mileage Awards on a motorcycle.

In 1975, Smith rode 8,752 miles diagonally across the continent of Africa on motorcycle. This trip included 250 miles across the Sahara Desert; 11 men started the trek and Jerry was 1 of 3 who finished. Additionally, he was a professional Flat Track racer, was inducted into the Motorcycle Dealer's Hall of Fame, and competed in: Demolition Derbies, Sprint Car races, National Jack Pine Runs, the arduous Colorado 500 (16 times until he was 72), and was the author of two books. Both books describe the real adventures that comprised his life: "Into the Heart of Africa" and "Between the Seas; Josefina & I in Central America." This incredible life, yet Jerry Smith was not a strong athlete; he was a Polio survivor, with a crooked spine and limp to prove it.

He owned Jerry Smith's Cycle Ranch for 48 years and was a dedicated member of the Hedrick Christian Church. Jerry was always grateful to the Hedrick community for being so kind, thoughtful, and friendly to him; they were like family.

Surviving is his daughter, Belinda (Andrew) Smith-Cicarella of Ottumwa and daughter Kathy (Martin) Morales with three grandchildren: Angela, Matthew, and Christina, of

Austin, Texas. He was preceded in death by his wife, Josefina Smith, brothers Mike and Charles Smith Jr., nephew Dennis Smith, and his parents.

Funeral services will be Saturday, July 11th at 4 p.m. in the Fremont Funeral Chapel, with Pastor John Lewis officiating. Visitation will also be July 11th from 12 to Service time at 4 p.m. Fremont Funeral Chapel is in charge of the arrangements. “ Belinda due to Tom’s delicate lungs we will not be attending your dad’s memorial. My very first memory of your dad was when he still had his cycle business west of Hedrick at what we used to call the Hedrick Y. I worked at the truck stop as a waitress there during high school. He was a customer that would always come in with a smile on his face.

Then when he and your mom moved into the house across the street from us he became a very good neighbor. I still remember the baby shower my mom hosted for you and your mom. How excited your parents were when you were born! Many trips occurred across the street between your home and ours as Aunt Lorean and her tag a long girls came over to play with you or your mom would bring you over to our home. Your dad was gone during the day most the time but I remember seeing him multiple times just melt when he would come home and see his little girl.

In later years I would run into your dad at various vendor shows while he was promoting his books. Again, he always had that beautiful smile and loved to visit. Many times Tom and I would see him in HyVee and marvel that he was still riding his trike bike.

He was a great guy and it was my privilege to know him.

“ I learned to ride a motorcycle on the track at Jerry Smith’s Cycle Ranch! Honda 50 that my dad bought. The whole family rode it! One time when my Dad took it to Jerry’s to get a tune up, he came home with a Kawasaki 125!! I didn’t know him personally, but I know my Dad liked him a lot and had great trust in him.

“ Our dad bought many bikes at Jerry’s shop. We all loved going there to look at the new motorcycles. He was always so kind to the kids when they came in. My favorite bike was a Honda that I drove for years. Thoughts and prayers to family!

“ I bought a 1966 Honda 305 Super Hawk from Jerry in 1969 at Smith Cycle Ranch. He told me that it would probably be the best bike I would ever have. He was right...it was the only bike I ever owned! He also came to a Fremont Lions Club meeting and talked about his extensive travels with the motorcycle. He told about writing the book "Out of Africa" which I bought and enjoyed reading very much. Will sure miss that gentleman.
