“ Grandma, you will be missed more than anything by all, love you more than you'll ever know.

Mikayla Wilhite - October 18, 2016 at 05:24 PM

“ Momma, you were the best and we will all miss you completely! Not sure if I will ever get back to "normal", whatever that might have been. I know that you are no longer in pain now. You were so brave through this whole ordeal and hope to be so brave when my time comes. I will miss you every day for the rest of my life. We will be together some day in the future and oh my how big will the party be then! All my love until that day!!
