“ I was Clemma's home health care aide from Help @ Home. Clemma loved to play rummy with me and watch me work the wonder word puzzle in the quad city times. Clemma wanted to help me make the bed. Clemma wanted to take me with her to Heritage Woods. I am sure Clemma will be missed. Clemma lived a good life. I wanted to be with you today. I have bronchitis.

Take Care and hope all is well today.

“ Grandma was the best grandma a girl could ever ask for! She was always wanting to help anyone in need, including residents on the floor she was on. She was the best back scratcher and foot rubber out there. Many from the home complimented her on her back rubs even when she wasn't feeling the best. She was a fighter that I do know! She loved us grandkids and great grandkids and great great grandkids with her whole heart! She was so proud of them. 😍 I will miss her and cherish all the memories we have made together! Sunday dinners will be hard without you! RIP Grandma and I will miss you forever! 😭 Look down on us and guide us all. 👼 Keep showing me signs you are near my Angel! 😊 Its so hard to let you go! 💔😭 Love Krista
