“ *Condolences to you all. I remember coming over and staying the night and hanging out with Grandpa and he showed me his big crawdads behind the shop. I loved his Black Semi with I think wolf's on the side but can't remember for sure. Sure wish I was able to come up more to visit but we always missed you guys either on the truck or out camping. Love you Grandpa. You will be forever in my heart. Wish you could have met your other great grand daughter.*
