“ Ahh...Uncle Muncher. Always knew how to make an entrance, get and have a great laugh, and probably sing us something. Marty graduated with the Pekin Class of 1980 and went to IHCC to study computers right after high school; as I remember not knowing what this computer stuff was and thought it cool he was doing something so new and exciting. Next he moved up to Des Moines and I thought he was really big time then! Marty had so many cute little grands it was hard to keep up; as he was Gramps to Raynan, Rosalyn, Ryant, and Kendrick, too. Love you, Munch!

Marty and I became friends sharing the love of riding our motorcycles. He would always give you the best hug when he saw you and that famous grin of his. Ashley, you wer truly blessed to have him for a Daddy. We have lost a fantastic friend for a short time, but we will all look forward to seeing him one day. Until then, Marty ride those golden streets and let the thunder role.
