“*Sooo many memories! The last was my visit to North Carolina two months before he passed I flew down just before Christmas to be with him and help him with a couple projects. Knowing it would be the Last time I would see him on earth Sunday morning church service brought tears I could Not control or stop I tried so hard to hide them He hugged me and sinlpy said don't worry about it So many unspoken conversations but we both knew they didn't have to be said aloud I still miss his voice and calls after all these years RIP big brother*
