“ Oh Rob I'm going to miss the trips we use to take in better times. The times we went to Ma. To visit Tammie and her family. Then there were the times we went to Vt. to visit my Mom and Dad. We use to have so much fun no matter where we went or what we were doing. We've had so much laughter and we also shed a few tears. Rob I will miss, and love you for the rest of my life. I love you Rob.
